

WE WANT TO BE PROMOTED IN KIM KOLLEKTOR GAME!

We order a tourism advertising placement in Kim Kollektor game and corresponding web portals, as follows (please, select your choice!):

BASIC at a price of 800,00 euros for editing and production, includes:

One screen in the KKVT mobile game, including one picture and a short description

One link to the mobile city page

The mobile web page of the city consisting of 8 pictures with corresponding texts

A link to our English tourism page: _____

A web page of the city in www.inthefootstepsofthevikings.com web portal, concerning the same material as in the mobile page

ADVANCED at a price of 2400,00 euros for editing and production, includes:

All the features as in the **BASIC** option, plus:

Two extra screens with texts in the KKVT game

360 degree panoramic picture including a city silhouette with 10 landmark pictures

Corresponding 3D action field in the KKVT mobile game

TERMS:

The order will be fulfilled when and as fast as possible, depending on the remaining location slots in the game. The fees will be charged when the material is published. The operating and maintenance cost will be charged one year at a time when the game is published, 360,00 euros per year. The subscription continues one year at a time, unless terminated. The orderer sends the text and picture materials needed, and has the necessary rights to them. Terafox will publish the material in the game and portals, and in other media for marketing purposes. Terafox's responsibility is limited only to the price paid by the orderer. In other aspects the general terms will be applied as in:

http://www.kimkollektor.com/papers/KKVT_TermsOfAgreementEN_20131113a.pdf

Applicable VAT will be added to all prices. Offer stands till March 31st 2014.
